## From the Editor

Hello, my name is Julie Luck and I am the new editor of the MESC newsletter. My husband Don and I live in Ramsey, MN with our 2 daughters, ages 19 and 17 and our 9 year old son. We became club members in January of this year. Nearly 20 years ago I was given my first Setter as a birthday gift. After a number of years of setter absence I had to have another one. We started out in pursuit of a young puppy, but the timing on that just didn't work out. We purchased 9 month old Aerden's Sweet Charity from Laurie Engel in September 2006. Recently we have added a blue female puppy which our oldest daughter will be showing. We also help Maggie LeFebvre with English Setter rescue. Thank you Maggie for your devotion to the many dogs you have saved and rehomed and for advising us with the foster setters we have taken into our home.

Also, a big thank you John Hudson for all your time and effort you have given to producing the newsletter.

If there are items that anyone feels would be of interest to fellow MESC members, please send them to me for inclusion in upcoming issues of the newsletter. Please be patient as I become familiar with my new position as newsletter editor. I will be reliant upon fellow members providing me with information for publication. Since I am relatively new to the club and still getting to know names and faces, please be as specific and detailed as possible when supplying information. Thanks for your patience and cooperation.

## ANNUAL AWARDS

Members are encouraged to apply for the ANNUAL AWARDS, which will be presented at the January annual meeting. Terry Hanus has again volunteered to be the Annual Awards chairperson. A copy of the application form is included in your hard copy of this issue of the MESC Newsletter. Please note the deadline date of Dec, 17th, 2007 by which time you need to have submitted your awards application form to Terry. Some members may still need plaques for the awards from last year. We need a tally of the number, type and size for those who will need them. It is a huge job to process and verify the annual awards applications, and the MESC owes a huge debt of gratitude to Terry for volunteering to do it!

The BOTTOM portion of the blue sheet is an "AKC Title Plaque Application" form to be used by those MESC members applying for plaques for their NEW AKC TITLE HOLDERS for 2007. Again, as with the Annual Awards Applications, these forms must be completed and sent to Terry Hanus by the Dec. 17th, 2007 deadline!

Winners of last year's bowls... if you have not yet done so, please turn in your POLISHED bowl at the December holiday party and meeting, so Terry can have them engraved with the names of the 2007 winners.

---

## NOMINATIONS

The Nominations Committee has nominated Karen DuPay, Sandy Hudson and Terry Hanus for the 2008 Board. The club wishes to thank the outgoing board members for their terms of service and for jobs well done! If you are ever asked to be on the board, please consider taking your turn to serve the club. It's a two-year commitment and, in most cases, doesn't involve a large amount of time.

---

## 2008 MEMBERSHIP DUES

Also included in your copy of the MESC Newsletter is an "MESC Annual Dues Statement" form (TOP portion of the blue sheet). You are asked to PRINT your information and SEND THE FORM ALONG WITH YOUR CHECK to the treasurer (Jan Casperson) by January 1, 2008. These forms will be used to compile the information published in the MESC Membership Roster for 2008.

**Please be sure an update any email contact information as many notices are sent out electronically.**

## 2009 National Specialty Update

Sherrill Neudahl has volunteered to chair the ESAA National Specialty Show, if we get the bid. There have been numerous offers of help from other Midwest-based English English Setter Clubs. Lin Sell from the KMESC has offered to serve as Hunt Test Secretary. Judi Hunter and Jan Huppert voiced an interest in also handling the trophies for the ESAA National Specialty, as well. The Denver ES Club has also offered their help. The original plan to hold the ESAA Hunt Test at Goodgoing Kennels in Baldwin, WI may stay in place. It appears that the only viable location for breed/obedience/agility/rally would have to be Rochester, MN and the Graham Arena complex at the Olmsted County Fairgrounds. Sandy Hudson is going to check with Jason Gooding to see whether the ESAA might have use of their clubhouse for the day and is going to ask if Jason might volunteer his services as an 'official gun' for the Masters and Seniors braces.

## 2007 ESAA National Specialty

Congratulations to everyone from the MESC who competed at the 2007 ESAANationals! We are as proud of all of you as you must be of your dogs! Your hard work and dedication to the breed serves as a wonderful example to all of us!

A good time was had even though the weather was cold and windy. Rose Miller's "Jordan" won the Utility B Class and Sandy Hudson was 2nd with Ellie. Ellie won Open B and got High Combined Score (Utility B and Open B), and she also took 1st in Veteran's Novice and was Highest Scoring Veteran in Regular Classes. Rose took High in Trial out of Novice B with Connor. Laurie Engel's Gabby made the final cut in open bitches out of 36 entries. Conner made the final cut in open dogs and won his maturity class. Conner also came in second place in the large open dog class the specialty after the Nationals.

## Rescue Report

This year, 14 English Setters have been rehomed. Even though we have been able to help them there are always more pleas for help that we just aren't able to accommodate. Please consider giving fostering a try. Please contact MESC members Maggie LeFebvre or Julie Luck for more information. All dogs are completely vet checked, given any necessary vaccinations and spayed or neutered. Currently English Setter rescue is working with The Carver-Scott Humane Society. They provide the vet care and food. It is so rewarding to get a follow-up email from a home saying their adopted Setter is the best dog they have ever had. Below are just a few photos of the wonderful setters we were able to help and rehome along with a few emailed updates. We will gladly share this gratifying experience with anyone interested.

*Hi Julie and family,  
We wanted to let you know how Maggie is doing. She has adjusted well (and so have we!). She has been grouse hunting several times this fall and is going pheasant hunting the first weekend in December. She has been a great dog for us, so it was the right decision. Have a wonderful holiday season.  
— Mary, David and Maggie*

*Hi Maggie, just thought I'd drop you a quick email to let you know that Pearl is adjusting well, and we all really adore her! The kids are great with her, and she is great with them. She needs some work on the leash, but other than that, she's a sweetie!! I am so glad that we came to the pet adoption because she is going to be a great member of the family for a long long time! Thank you!! Take care*

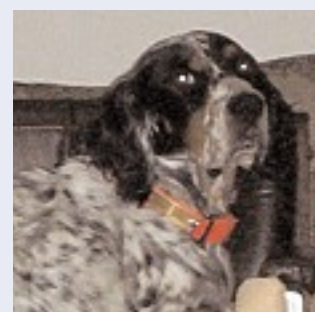

*Hi Julie  
Gracie is wonderful! I think we will all get along wonderfully. She is truly a fantastic dog. It will be fun getting to know her more as she settles into our home.*

*Thank you!!  
Bonnie and Rick*

*Hi Maggie  
I just want to let you know about a success story. Willie has been with us all summer and we couldn't be happier. He is the best dog we have ever had. We take him everywhere! The attached picture is of him supervising at work! I can't thank you enough.  
— Mike*

## 2007 MESC Specialty News

The club came out about \$700 to the good on this year's specialty, although there were several complaints from participants about the grounds and parking/camping, which were compounded by the racetrack construction and heavy rains. A couple of them said that they would not be back next year, if our specialty was held in conjunction with the St. Croix Valley Combined Specialty Clubs. Suzie Bosshart is going to check to see if at least the Irish Setter Club (and maybe the Gordon Club, too) would be interested in pursuing some kind of joint setter specialty, where they could share expenses. In any case, there was a general sentiment among club members that we should look into holding our own specialty elsewhere, although on the same dates.

Rose Miller volunteered to check a couple of site availabilities for next year's MESC Specialty Shows (a pavilion at Washington County Fairgrounds which had been used by the English Springer Spaniel club who, rumor has it, will not be returning to it next year, as well as the Dakota County Fairgrounds in Farmington. Judi Hunter and Jan Huppert have offered to handle trophies for the MESC Specialty next year.

## Other Show Results

*If you have recent show results that you wish to share with the rest of the club, please send them to me, and I will be happy to include them in the next edition of the newsletter.*

### From Jane Burrows:

On October 20 at the Twin Cities Obedience Training Club trials, CH Benmer's Newsflash ("Luke") completed his Rally Novice title. The next day he went on to earn his first Rally Advanced leg. He is our second Rally dog. Tamarack Mark of Zorro completed his RN at the Twin Ports Dog Training Club trial in Duluth on July 14. Both dogs are owned by Jane Burrows and Charlotte Anderson.

### From Suzie Bosshart:
